What we do for Amini's Galleria

Performance Plus works with Amini's Galleria and exclusively Game Room Champ. Performance Plus has helped Amini's with over 2,000 LTL, truckload and International shipments since 2010. We handle both in-bound and outbound shipments, as well as drop shipments for Amini's. We have setup a database of vendors and items to make their shipping process as simple as possible. Amini's depends on Performance Plus daily to ship, track and schedule deliveries for all shipments and has provided a huge savings to their bottom line as well.

“ When we switched to Performance Plus for our shipping needs a little over a year ago we found that there is actually a company that is hassle free and easy to deal with. We also found that they go above and beyond on a regular basis. I talk to Tim almost daily, and he makes me feel comfortable with all of my shipping needs. I've been shipping for over ten years, and my only regret about Performance Plus is not using them a lot sooner. ”
